

Worshiping face to face with one another in love

Version 3 | 27/11/20

“Beloved, let us love one another, because love is from God; everyone who loves is born of God and knows God.”

1 John 4:7

As we continue our journey of emergence into living and worshipping together through the ongoing pandemic, there are various changes we've made to the layout in the building as well as how we will gather together. This includes various commitments we will need from one another. Further below is a summary of these things which will enable us to all work together to create a safer space.

Preparing for worship

For those of you who plan to attend face to face worship at BRMC, please be aware that worship will be different to many experiences of face to face worship you may have had before.

The restrictions and measures we have to implement mean that many aspects of worship, including interaction, movement, singing and participation all have to happen differently. We will be wearing face coverings and so facial responses will 'masked'.

We are *emerging* into a new way of worshipping. A period of learning & experimenting. Over the coming weeks we hope to explore a variety of ideas of how we can worship creatively within the measures.

A Christian community of Love & Safety

Let us build a house where love can dwell and all can safely live¹

One of the most important things we need to do as we emerge into this next phase of worshipping God together face to face during the ongoing pandemic, is think of one another. Some of us are very excited about being able to gather for face-to-face worship, others are very anxious. Let us love one another by being aware of the diversity among us and all doing our part to keep ourselves and each other safe.

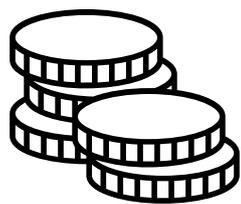

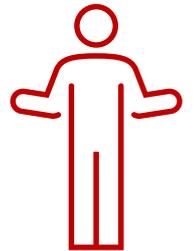

We can all do our part to build a house where all can safely live by all following the guidance below. We hope that this will give some sense of reassurance if you are particularly anxious.

Serving

To make face to face worship possible requires people to serve in various roles, including welcoming, marshalling and directing people, cleaning before, during or after events and overseeing track and trace data collection.

If you feel able to offer to help in any way, please contact Rev Dan or a church steward. When offering to serve, please be mindful of your own vulnerability to COVID-19 and current government guidance relevant for you, including your health, age, ethnicity. No-one should feel any pressure to serve in ways beyond that which feels safe.

Financial Giving

Due to guidance about handling money and risk of cross-contamination, we continue to encourage direct giving via standing order. For details of how to do this contact a steward or church treasurer.

We know this is not possible for all people, so an offering plate will be at the back of the worship area. We ask you place money in this as you enter for worship.

Feedback

If you have questions or constructive feedback, please do share with stewards (or Rev Dan). This will help us reflect on what we do and make positive developments for the future.

What do I need to know? *Guidance for Face to Face worship at BRMC*

General Guidance

updated 27/11/20

Please do not attend face to face worship if you have any symptoms of Covid-19 (high temperature, new or continuous cough, change/loss to sense of taste/smell)

At all times please maintain 2m social distance between households

Additional note as we enter Tier 2: While in the building, please do not 'interact with anyone outside your household or support bubble'.

Wear a face covering while in the building (unless medically or otherwise exempt)

Additional guidance may be given by stewards/preacher as appropriate.

Arrival

The building will open for the congregation from 10:15, please try not arrive before that time.

On arrival please queue on the pavement, 2m distance from one another.

A steward will let you know when to enter the building.

Entering

Please follow the one-way system (marked with green arrows)

Please use the hand sanitiser provided in the foyer

As you enter the worship area, another steward will take your contact details for our track and trace record

The offering plate will be at the back of the church as you arrive.

Follow the one-way system to find a seat and remain there until the service ends (steward will assist).

You will need to sit with your household/bubble and not 'interact with anyone outside your household or support bubble' while in the building.

We will initially have a capacity set at 30 people.

Worship

Worship services will last 30-45 minutes.

We encourage you to bring your own bible with you.

There will be no singing, notice sheets or handouts.

We will explore how to make best use of the new screen and instrumental music over the coming weeks.

Children and young people will need to remain with parent/carers throughout.

Communion

When communion is celebrated every effort will be made to ensure it is celebrated as safely and hygienically as possible.

Communion will be shared in one kind only (bread).

Communion will be brought to you in your seats.

On the day Rev Dan will talk through in more detail what will happen.

After Worship

Please wait until a steward indicates it is safe for you to leave.

Please follow the one-way system through the John Wesley room.

Note that there will be no refreshments served at the moment.

Additional

Please note that while people are arriving (between 10:15 and 10:30) the toilets will not be accessible.

The toilet in the choir vestry can be used during this time in an emergency.

Other areas of the building (corridor/vestry/upstairs/hall etc) will be closed. This reduces the amount of cleaning that needs undertaking by our volunteers.

And Finally...

As we learn from the first few weeks, or as guidance and legislation changes, we will update our planning and this guidance

If you are planning to attend face to face worship in the coming weeks, we look forward to seeing you soon.

If you are unsure, have decided not to attend for the moment, or can't attend, please know that you continue to be in the thoughts and prayers of others.

***Gathered or Scattered, we are united by Christ
Close to one another or far away, we are bound together by God's Spirit
Excited or anxious, we are held in the arms of God's love,
We are community, God's community, we are BRMC.***
