Loving Jesus, we thank you for the wonderful years we have had with Rev Dan and his lovely family. We are already in February and the time will soon come for our goodbyes. We pray to thank you for all Dan’s work with us, particularly the very difficult months of lockdown. We ask you to bless him and get him ready for the next part of his journey with You Lord. We pray for Bognor, Felpham & Westergate Methodist churches as we await news of a new minister and when s/he might join us. Hold us all close Lord as we all face the changes coming and make adjustments. Stir us all Lord as we look towards all things new. We pray in Your name, Lord Jesus, Amen.
